

The background of the slide is a photograph of a bright, modern interior space, likely a classroom or office. It features large windows at the top, reflecting the sky and some greenery. Below the windows, there are several wooden desks with computers and people working. One person is visible on the left, and another on the right. The floor is red. The overall atmosphere is professional and educational.

The screenshot shows the Blackboard portal interface for TU Delft. The navigation bar includes 'My Delft', 'My Contact', 'My Student Info', 'My Campus Life', 'Courses', 'Operations', and 'Help'. The 'My Student Info' menu is highlighted with a green circle. Below the navigation bar, there are several sections: 'Laptop Software for LR', 'My Student Software (TDS)', and 'My Student Software (TDS)'. A table lists software packages with columns for 'Package name', 'Version', and 'Size'. A green circle highlights the 'Go to software' link in the table. A green circle highlights the 'I agree with the requirements' checkbox. A green circle highlights the 'My Student Software (TDS)' section header. A green circle highlights the 'Go to software' link in the 'My Student Software (TDS)' section.
